

ME

I design digital experiences by simplifying complex workflows and shaping intuitive interactions. I aim to deliver experiences that are clear, engaging, and memorable.

EXPERIENCES

**RentoMojo, Visual Design Intern**  
MAY 2026 - PRESENT

**Elocien, Product Designer**  
JAN 2025 - APRIL 2025

- Designed the core experience for an AI-based tutorial platform, simplifying a multi-step creation process into a **structured workflow**.
- Defined primary actions (rewrite, apply) to improve interaction clarity and **reduce cognitive load** across the homepage.
- Streamlined scripting → AI execution flow, enabling more intuitive interactions across key features.

**Sutra Networks, UX Design Intern**  
SEP 2021 - NOV 2021

- Built reusable UI templates to enable **scalable systems** and consistent interface patterns.
- Extended visual systems across digital and print, including full-page ads for Floret.

PROJECTS

- [Delivery Flow Intervention \(Zomato\)](#) - Contextual Guidance
- [Vedapath Redesign](#) - Information Hierarchy
- [Domino's Website Redesign](#) - Journey Optimization

EDUCATION

**Srishti Manipal Institute of Art, Design & Technology, Bengaluru**  
B.Des in Human Centered Design (2022-2026)

SKILLS

| Interaction & Product    | Tools         | Language |
|--------------------------|---------------|----------|
| Interaction Design       | Figma         | English  |
| Workflow Design          | FigJam        | Punjabi  |
| Information Architecture | Illustrator   | Hindi    |
| Design Research          | Photoshop     |          |
| Visual Communication     | After Effects |          |
